The Person Who Influence Me The Most

I will never forget Mr. Billings because he's helping me to become a successful person. Mr. Billings is from Shelby, Mississippi, which is known as Smoke Town. He is also a member of the New Morning Star M.B. church where he's a singer, deacon, and also a trustee board member.

Coach Billings coaches the football team, baseball team, and sometimes coaches the basketball team. Coach Billings is short, love to have fun, and love to work with kids. Mr. Billings loves to teach here at Broad Street High School. He encourage every one here in Shelby, Mississippi.

My father who is known as our here at Broad Street tries hard to encourage me to get an education. Mr. Billings always question me about singing the school song and preaching about the state test. Mr. Billings has always prepared me for each test each year.

Since I was little Mr. Billings has taught me about respect, being intelligent, becoming smart, and having self-esteem. As I grow older I always think about what Mr. Billings has taught me in the past and in the present.

Although Mr. Billings is 52 years old he's a great leader to follow. Mr. Billings will always be my most wonderful role mole. [See score below](#)
